Join or Renew Today!

SPE is the best resource for every stage of your E&P career.

www.spe.org/go/LACmember

Society of Petroleum Engineers

Serving the E&P industry for more than 50 years, the Society of Petroleum Engineers (SPE) is the largest individual member organization serving managers, engineers, scientists, and other professionals worldwide.

Why Join

When you make the decision to join SPE, you tap into a dynamic, global professional network of 164,000+ members in 143 countries. SPE helps to realize your potential through education, leadership, and networking opportunities.

Join our community of professionals committed to making a difference in the industry. SPE encourages you to get involved and benefit from the extensive

opportunities available to you globally, locally, professionally, and personally.

To join or renew your membership, visit www.spe.org/go/LACmember.

Are you an employer? Register your employees with the company bulk payment option at www.spe.org/join/options.

Need More Information?
